Felicia is working at her first real world job and yet isn't taking it all that seriously. When the big boss takes notice, he knows it is time to put a stop to this naughty brat's bad behavior!

"I am a very detailed man and I believe in team work, when one member of the team stops being effective the entire ship goes down. Imagine how it felt... for me to come into work this morning and not be greeted by you? That my coffee wasn't ready as usual, this has been most inconvenient all week long," he says.

As the room is dimmed by the blinds being closed I am very aware that we are completely alone.

"I think a girl like you needs discipline in her life," he says coldly. I can feel his body close to mine and I am worried. He is handsome, charismatic and wealthy everyone at work loves Flynn however, right now, I feel as though he could eat me up in one big bite.

"Tell me more about you Felicia," he says as he slowly touches my soft blonde hair.

"What's there to tell, I grew up in a normal middle class family fairly average, I graduated high school with high marks, and started working here," I say simply with a small nervous sound in my voice. My heart is beating faster.

My mind flashes to Flynn with his crisp dress shirt open, his muscular chest exposed as he pushes me over his desk. I feel a sudden tingling between my upper thighs and lower abdomen. My cheeks feel warm and I try to shake the image of his hand touching my bare bottom for the first time.

"Sounds charming, but tell me about you what is it you are interested in?" he moves around to my side and leans against his desk while facing me. I can smell his cologne mixed with the lightest scent of shampoo. I eye him for a moment studying his features, what did this man want?

"I enjoy reading, playing games, watching TV, music..." I say but he interrupts me.

"That all sounds like what a good girl would like, but I know that you are actually a naughty girl," he says firmly. I am shocked at what has just come out of his mouth. We had flirted a little in the past but he has never spoke with me like this before.

"You think I am naughty?" I cock my eyebrow and laugh.

"Actually, I said I know you are naughty," he leans in, grabs a lock of my long blonde hair, and smells it. The movement sends a chill down my spine and yet I feel more aroused.

"Oh and how do you know this?" I say flirtatiously.

Flynn stands over me and leans down close to my face, "Because, you're tardy often, I found three errors in

your memo today, and you are wearing a rather decidedly naughty skirt,” his voice is smooth and controlled.

“Are you going to fire me for showing off the legs my mother gave me?” I ask. I cringe at my corniness inside.

He simply smirks, and cocks his eyebrow while he starts to walk around me.

“Stand up,” he orders.

He walks over to his door and locks it. I feel excitement as I wait in anticipation of what is to come. Will he discipline me?
