The human mind holds within its infinite reaches many of the greatest mysteries in the universe. Some are vast and wondrous, while others are chilling and nightmarish. Some mysteries are better left hidden in the dark corners of our minds, never breaking free of our subconscious. Six high school students set out to explore these depths by sharing a mind altering substance on a night meant to be filled with both wild hallucinations and crazy antics. But the fun and games come to a shuddering halt when a strange man appears. This isn't just any stranger. He is the Dark Man. Haunter of dreams and purveyor of nightmares. Dressed in a black suit and top hat, his pale skin and twisted grin promise a very deranged night of entertainment.
