The Illustrated Directory of Guitars: A Collector's Guide to Over 300 Instruments, From Early Acoustic to the Latest Electrics Nick Freeth

The Illustrated Directory series provide enthusiasts with a fully illustrated, comprehensive, hardcover reference book packed with timelines, historical facts and images designed to inform and excite. Organized in alphabetical order for quick reference, many of the instruments are featured as a double page entry showing them in their entirety as well as featuring close-ups of important details special to that model.

The Illustrated Directory of Guitars is the most ambitious and lavishly illustrated history of guitars for the collector and musician. The book shows in clear, detailed photographs and text over 360 landmark instruments of all kinds, from acoustic to solid, including base guitars and multi-stringed variants. Each entry has a double-page spread showing the guitar from different angles and features close-ups of details special to that particular instrument. Each guitar has been specially studio photographed for this extraordinary book. The book also features an introduction on the history of guitars, and a quick reference listing of every instrument features.
