## A True Warrior in the Battle of Good and Evil

A demon hellbent on chaos and pain throws a young man across a room again and again, without mercy or remorse, attempting to break his spirit and mutilate his soul. The evil spirits at the site of an old sanitarium destroy an innocent family, driving them into an unfathomable hole of addiction and madness. Ghostly shrieks of pain drive a researcher to the point of insanity, pushing her toward the infinite blackness of total annihilation.

Demonologist Samantha E. Harris has faced the world's most malicious entities . . . and lived to tell the tales. *Fighting Malevolent Spirits* tells the true stories of her darkest, creepiest, most terrifying cases. Featuring extreme encounters with poltergeists, demons, and unhappy spirits of the dead—and the story of Samantha's desperate call for help to renowned demonologist Lorraine Warren—this book includes a question-and-answer section for determining the cause of profane paranormal disturbances and how-to instructions for dealing with outbreaks of diabolical activity.
