The Enormous Room: A Glossary of Characters and Other Terms Dave Luton

This book is a glossary of characters and other terms of the E.E. Cummings classic, "The Enormous Room". It contains an alphabetical listing of the book's most important characters along with cross-references. It also includes other terms which the reader might find helpful in understanding this great work of literature. The idea for writing this glossary came from my own frustration in keeping straight exactly who was who in the story since Cummings' use of numerous and varied nicknames makes such a task somewhat daunting, at least for me. I thought it best to share this with others in the hope that it might aid in their enjoyment and understanding of what I consider to be a great literary work.
