Let Me Tell You: Kenyan Coastal Girls Talk about Love, School, Sex and Football

Let Me Tell You: Kenyan Coastal Girls Talk about Love, School, Sex and Football

In eleven eye-opening and insightful interviews, this book reveals the lives, thoughts, challenges and hopes of teenage girls living on Kenya's coast. They eloquently tell of fractured and yet supportive families, the struggle to stay in school, dealing with dawning sexuality, boys and men, and their hopes and plans for a better future. Here, voices that are rarely given space to speak for themselves, speak clearly, with humour and grace.

'I couldn't put the book down! These true stories are fascinating. The exploration of the sexual pressure surrounding young girls is well done. And, as a lover of football, I found this aspect of their lives captivating.' Dr. Margaret Ogola, author of *The River and the Source*

'It is impossible not to be emotionally provoked by this raw and blatant read. All in all, I would recommend this book to any and everybody. It inspires a deep introspection into one's life and schools anybody -- no matter how old, what colour or creed -- on ambition and what it truly means to be fortunate.' Eden Nthebolan, contributor at Africa Book Club

A share of the royalties from this book go back to the girls interviewed and to Worldreader, a non-profit dedicated to making books available to all.
