OFF THE WALL Prison Art & Humor Jonathan G. Rundy

I wanted to show the world that rehabilitation of criminals is a reality and not just a dream. Since most are in prison for property crimes, which stem from living in poverty, it just did not seem smart to lock them up a few years and then kick them out just as poor as they went in. Off The Wall will enable me to hire convicts by buying their art and prose. It will be therapy for some and more money for most. At least they will have a fighting chance. What do they have now? Please note that some of this stuff is gross, weird, unusual, and bizarre. Profanity! This is a combination of humor and expose/opinions. Something for everybody. But not for those who are easily offended or grossed out. Very ingenious stuff, though. A good read! See preview.
