Secret Shifters in the Night is a science fiction, romance novel, which tells the story of a group of individuals affected by an ancient curse, due to which they live under special conditions. Their bodies undergo unusual shifts during the night, making them different from the rest of the population. Apart from the peaceful terms under which this sort of beings lives, separated from the rest of the world – there are others, who have maintained their presence among the ordinary human world. As the story develops, the reader learns about a certain someone, who is unaware of the changes affecting him. He needs guidance and explanation, which he received from another creature of his kind. This bond serves as the basis of a long lasting romance, whose adventures became the central point of the plot. The actions are spiced up with unique imagery, passionate scenes and an unpredictable twist of events. It is a story read in a single breath.
