I wish there was sumtin I can do . . . to free us from the fear of being discovered . . . who woulda thought that to save the world, I'd have to be the monster to destroy it first. I didn't know where my decisions would take me, I didn't know who I'd meet on the way, and least of all I didn't know what the outcome would be . . . Religion, what a bunch of bullshit . . . the government . . . just another form of religion if you ask me . . . whatever I have to do, I'm gonna do it, I'm tired of living a life where I have to hide my powers . . . we're all tired of hiding . . . this is our chance to do sumtin, this is gonna be our time now, and I'll never back down. - Edge.
