With firm plans to celebrate their first wedding anniversary, Dimetre and Myla embark on a trip to Alaska. Their destination was nestled deep in the Tongass National Forest. The secluded lodge emanated dark secrets of yesteryear and beckoned those of tomorrow. A provocative stranger crossed their path, setting off a sequence of profound mystical events that would feather sadistic altercations. Was it the cosmic laws of nature, prophesy or invoking happenstance that rocked Myla's world and altered her life forever? With perseverance, I put pen to paper. Having faith, God in His infinite mercy, would bring me a publisher that would put my words in a book to remind us how precious the life we're given truly is.
