It is typeset in Lexicon No.1, a modern digital font which has many of the characteristics usually associated with traditional Bible typefaces?in particular, a degree of readability more usually associated with much larger type. The Clarion edition is the only NASB personal size reference Bible with a single-column paragraph format. The Bible has 15 new color maps and a concordance. There are two ribbons to keep the place in different parts of the Bible. This is a Bible of the very highest quality, printed on India paper with art-gilt edges, Smyth-sewn for flexibility and endurance, and bound in black goatskin leather, edge-lined for extra suppleness.
