**QUENCHED: What Everyone (Especially Christians) Should Know About Hell** Crystal St. Marie Lewis  
Written by progressive Christian blogger Crystal St. Marie Lewis, "QUENCHED: What Everyone (Including Christians) Should Know About Hell" is a bold exploration of doctrine, history, theology and ancient Biblical culture. Lewis offers a perspective on hell that is richly supplemented with scholarly observations about Old Testament Israel, a contextual analysis of New Testament scripture and a cultural evaluation of the Early Church. Lewis' research shines an uncomfortable but necessary light on the root of the "Hell" doctrine. This succinct, well-written, thoroughly sourced and jam-packed e-Book courageously asks its readers to reconsider their stance on the doctrine of Hell. It offers a challenge to the religious community that is long overdue.
