Superheroes is a collection of awe-inspiring original artwork created by husband and wife team Boris Vallejo and Julie Bell. Along with using a classic sense of style to create and master sensuous full color oil paintings, Boris Vallejo is best known as the visual creator of Conan the Barbarian. Combining strength with sensuality and infusing the human form with incredible power and motion, fantasy artist Julie Bell continues to use her "metal flesh" trademark to produce dramatic works of art. This collection overflows with superhuman characters captured in the act of saving the world, destroying evil protagonists and battling dark beasts. Featuring fantastic figures such as Spiderman, Captain America, and the X-Men, these paintings represent the best of Boris and Julie.
