## A bit of history

In 1992, Relation Canada created the magazine « Terres et Terrains du Québec » with the goal of promoting private patrimonies available for sale in Quebec. The magazine saw the light of day and the owners of golf courses and campgrounds joined land owners to list their partnership needs or quite simply to sell through the magazine.

Along came the Internet with the upheavals we know. The magazine became the Directory of Business Opportunities (DBO). Relation Canada expanded through the Internet, and the magazine DBO subsequently promoted retail establishments and firms of all types for sale, in all of the regions of Quebec. This was also the beginning of Buyer-Seller Days, in the « speed-dating » format, organized in Montreal and in the regions.

Gradually, international relations came into being. Canadian consulates and embassies in other countries regularly receive information on businesses for sale in Quebec. And there is a dialogue with foreign (bilateral) chambers of commerce in Quebec. Finally, Relation Canada International offers a service of business tourism.
