Theodore Austin-Sparks (1888-1971) left behind a treasury of messages filled with the Wisdom, Life and Revelation of Christ.

This book contains short daily portions from a selection of these messages. In his own words, “Perhaps this is just like a window opened into heaven. If you get the right window you can see quite a lot. You can see great things and you can see far things. But the best that I can hope is that this has just opened a window, and that as you look through it you are seeing one thing - how superior is Jesus Christ to all else, and how superior is the dispensation into which we have come, and how superior are all the resources at our disposal to all that ever was before!”
