Animals/Los animales is a bilingual Spanish/English ebook for children--toddlers through pre-school. This volume presents eye-catching photos of animals of different types--pets, farm, forest, jungle, and others. Simple sentences in English and Spanish are used to describe the animals. The photos will maintain the child's attention while the sentences are read in one language and later in the other. Hearing the sentences read in the second language (whether English or Spanish) will help the child develop pronunciation, vocabulary, and reading ability to become bilingual. This volume, like others in the series, is appropriate for both English-speaking and Spanish-speaking parents.

These bilingual print books and bilingual ebooks are suitable for the bilingual education of young people from infant to early elementary school.. These bilingual print books for children and the bilingual ebooks for children can play a major role in any bilingual or ESL education program for children. There are four levels for each topic or title making it easier for ESL or bilingual children to progress from one level to the next. Level 1 is for infants and toddlers and would be primarily read by parents to their young children. Level 2 is for toddlers and pre-schoolers and could be used by parents for the younger children or by day care and pre-school personnel in environments where an English/Spanish bilingual component is included in the program. Level 3 is for pre-schoolers through kindergarten. And level 4 is intended for K-2. Parents, caregivers, and teachers should not hesitate to use a lower level book with an older child who is just beginning bilingual language study or whose age does not match his knowledge and ability in the language. While a child may be at the age for grade 2, his language learning "age" may be at the toddler or pre-school level.
