Going Deeper: Experiencing New Depths in the Holy Spirit Ted Roberts, Pam Vredevelt **Experiencing New Depths in the Holy Spirit**

Here is an invitation to a fresh, engaging walk into deeper dimensions of God's life, love, and power. With clear teaching and rich personal illustrations, authors Ted Roberts and Pam Vredevelt lead us into a transforming encounter with eight key ministries of the Holy Spirit:

One who seals, reveals, unifies, empowers, releases, transforms, anoints, and wars with the powers of darkness through our lives.

Scripture and vivid personal stories give examples of God's love and the works of the Holy Spirit in the lives of everyday believers. To deepen your spiritual journey study questions and prayers are given at the end of each chapter.

Answers are given to important questions on:

- What Jesus wants to declare and give us?
- The inherited spiritual blessings from Christ
- The riches that await us in the spiritual real
- And the truth behind the relationship of the Holy Spirit and God

This book is not for those who are casual about their faith, but for the ones who want to become more experientially aware of God's abiding presence in their daily life.

It is a personal study that is entertaining and written in everyday language that cuts through the difficult sermons, limitations, and expectations the church or denominations put on God and what the Holy Spirit is.
