Masters at Arms & Nobody's Angel (Rescue Me Saga #1) Kallypso Masters

Families aren't always blood related. If you are looking for a series with gritty, realistic characters who will get under your skin and never let go and you have an open mind about alternate lifestyles, then look no further than the eye-opening Rescue Me Saga by USA Today Bestselling Author Kallypso Masters.

MASTERS AT ARMS begins the journey of three men, each on a quest for honor, acceptance, and to ease his unspoken pain. Their paths cross at one of the darkest points in their lives. As they try to come to terms with the aftermath--forging an unbreakable bond--will they ever truly become masters of their own fates? Or would fate become master of them?

NOBODY'S ANGEL: Marc d'Alessio might co-own a private kink club with his fellow military veterans, Adam and Damian, but he keeps all women at a distance. When Marc rescues Angelina Giardano from a disastrous first experience at his club, however, an uncharacteristic attraction leaves him torn between his safe, but lonely world, and a possible future with his angel.

Angelina leaves the club behind only to have her dreams plagued by the Italian angel in a wolf mask who rescued her. When she meets Marc at a bar in her hometown, she can't shake the feeling she knows him, but has no idea why he reminds her of her angel. While trying to protect Angelina from her abusive ex, though, Marc once again finds her at the Masters at Arms Club where she turns his safe, controlled world upside down.

ABOUT THE RESCUE ME SAGA: The books in the ongoing Rescue Me Saga are not stand-alone stories and should be read in order, beginning with the books in this volume. Characters will recur in later books to deal with old and new issues in their lives as the saga continues, and each book builds upon all previous ones. Sometimes main characters even need another book to help resolve deep-seated issues affecting their relationships.

BONUS MATERIAL in this version: Kallypso Masters has added the PLAYLIST of music that inspired her as she wrote about the first three couples mentioned in this combined volume, as well as a GLOSSARY OF TERMS and a CAST OF CHARACTERS in these books in the saga.
