To bring about peace and safety for both clans, a favorite child from each must be soulbonded to cement their tentative alliance.

Gabriel:

Soulbonding with the Lafie alpha is the only way to ensure peace for my own clan, it's a sacrifice I'm willing to make.

He's sweeter than I expected, a kinder soul, but he's not much of an alpha and not the mate I was hoping for.

But he defended me and my unborn children at the risk of death, even in the face of his father's murder...

Perhaps he could be a good mate, after all.

Dean:

The O'Connor omega is beautiful, but standoffish and odd. I need to do this for the future of my clan, but I don't know if we can ever be happy.

I bonded with him and now he's pregnant, but says the bond didn't take. What else could I have done? What's wrong with me?

No one will hurt my omega or my unborn children. I know Gabriel didn't murder my father, and I won't let it be said that he did.

I will lead our clan into a new beginning, with peace and security for all, in alliance with the O'Connors, for the sake of my new children.

The Lafie Clan's New Omega is a standalone, heart-warming MM story, with hot sex, Mpreg, knotting and a HEA ending!
