From *Wanted by the Soldier Bear*:

Alluring and fierce, Cecelia Conrad adores the bear cubs she watches over as an au pair. Shifter blood runs in her family, but it is a gene she did not inherit. Fully human, being an au pair to shifter cubs has its dangers, especially when little hands turn to little claws, but when the family she works for decides to vacation in the woods, danger takes on a new meaning. Waking early one morning, she finds the cabin eerily quiet. Too quiet. The family has been taken, kidnapped by an unknown threat.

Desperate to rescue the family, knowing she can't go to the police, Cecelia calls her brother, a soldier in the military, but he's in the middle of an operation, so he sends a friend in his place – Marcus Sanders, a sexy ex-soldier turned bad boy. Together, they try to track the family down, hunting those responsible.

What Cecelia doesn't know is that Marcus has met her before. He knows she's his gorgeous mate, but he's kept his distance, protecting her from the burden he carries. But as they draw closer to the threat, and each other, seducing her may be the only way of keeping her safe.

But Wait....There is More!...

...When buying this Complete series you also get a Gift: An Entire Military Romance Books Collection ...It's all inside the book (no extra downloads).
