## **The Conqueror (Via Romana)** Mitchell Hayward

Rome, Italian Peninsula. 295 BC. The cogs of war grind again. And the Military is rebuilding itself into a much more swift and mighty beast. But politically, the situation has deteriorated, and the Italic tribes are displeased with the wilful Republic. Fidelis is hounded by the consequences of his former actions, deserting from the Nineteenth Legion only just two years into service, following the Battle of Volterra, against an Italic tribe that goes by the name – the Samnites. He is a simple and selfless man with a simple hope of what to make of his life. But there are two sides to Fidelis Princeps. He is caught between his two conflicting allegiances, which pressures the other with increasing friction, and tensions are boiling. He must choose his friends, his home, his battles, and he must choose his future. Via Romana - the Conqueror is a historic fiction on the early Roman expansions, wrapped with a personal story from the perspective of a remorseful deserter from the military, accurate war tales, erotica, comedy, and political intrigue.

### From reader reviews:

#### **Bertha Costa:**

Book is written, printed, or created for everything. You can learn everything you want by a reserve. Book has a different type. As we know that book is important thing to bring us around the world. Next to that you can your reading ability was fluently. A guide The Conqueror (Via Romana) will make you to always be smarter. You can feel far more confidence if you can know about almost everything. But some of you think which open or reading some sort of book make you bored. It is far from make you fun. Why they might be thought like that? Have you in search of best book or ideal book with you?

#### **Glenn Wallin:**

In this 21st millennium, people become competitive in every way. By being competitive now, people have do something to make these people survives, being in the middle of often the crowded place and notice by surrounding. One thing that sometimes many people have underestimated this for a while is reading. That's why, by reading a publication your ability to survive increase then having chance to stand up than other is high. To suit your needs who want to start reading the book, we give you this specific The Conqueror (Via Romana) book as starter and daily reading book. Why, because this book is greater than just a book.

#### **Ronald Adams:**

Your reading 6th sense will not betray you, why because this The Conqueror (Via Romana) guide written by well-known writer who really knows well how to make book which might be understand by anyone who read the book. Written within good manner for you, leaking every ideas and producing skill only for eliminate your current hunger then you still skepticism The Conqueror (Via Romana) as good book not merely by the cover but also from the content. This is one guide that can break don't ascertain book by its protect, so do you still needing an additional sixth sense to pick this!? Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.

#### **Blair Gant:**

This The Conqueror (Via Romana) is great book for you because the content which can be full of information for you who all always deal with world and also have to make decision every minute. This particular book reveal it information accurately using great coordinate word or we can state no rambling sentences in it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with beautiful delivering sentences. Having The Conqueror (Via Romana) in your hand like finding the world in your arm, data in it is not ridiculous one particular. We can say that no guide that offer you world throughout ten or fifteen minute right but this e-book already do that. So , this really is good reading book. Hi Mr. and Mrs. stressful do you still doubt this?
