Nine year old Jason was standing on the front porch of his grandparent's small farmhouse and wondered about the flashing light he saw off in a distance. He knew his father had seen the same flashing light when he was Jason's age but Jason's grandfather indicated that he and his father could not locate or determine the mystery of the flashing light. Little did Jason know or realize that he was about to uncover the mystery behind the source of the flashing light. Jason's journey will reveal an alternate world based on a one hundred year old Native American legend only known in the state of Ohio.
