ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Critical Thinking Skills in Everyday Context – The Socrates Model

Thinking Socratically is a treatment of critical thinking, rather than an informal logic textbook. It emphasizes a philosophical reflection on real issues from everyday life, in order to teach students the skills of critical thinking in a commonplace context that is easy to understand and certain to be remembered.

Teaching and Learning Experience

Improve Critical Thinking - *Thinking Socratically* contextualizes the presentation of critical thinking topics through easy-to-understand information, and shows, rather than just tells, students how to be critical thinkers by encouraging them to follow Socrates as a model.

Engage Students – *Thinking Socratically* exposes students to a variety of readings listed after expository material, Venn diagrams, chapter-end summaries, etc. – in order to outline important concepts and learning tools needed for useful reasoning.

Support Instructors - Teaching your course just got easier! You can create a Customized Text or use our Instructor's Manual, or PowerPoint Presentation Slides. Plus, *Thinking Socratically* is organized around topics for ease of assignments, and uses standard terminology to eliminate student confusion.
