*New York Times and USA Today best-selling author Cynthia Eden invites you to enter a world full of dangerous monsters...and dark desires...*

Vampires exist. So do werewolves. The creatures that you fear in the darkness? They're all real. And the baddest of the paranormals...those who love to hurt humans...they're sent to Purgatory, the only paranormal prison in the U.S.

**His job is to stop the monsters.**

Deadly forces are at work within Purgatory. The monsters are joining together—and their plans have to be stopped. FBI Agent Shane August, a very powerful vampire with a dark past, is sent into the prison on an undercover assignment. His job is to infiltrate the vampire clan, by any means necessary.

**She wants to help the prisoners.**

Dr. Olivia Maddox wants to find out just why certain paranormals go bad. What pushes some vampires over the edge? Why do some werewolves turn so savage? If she can understand the monsters, then Olivia thinks she can help them. When she gets permission to enter Purgatory, Olivia believes she is being given the research opportunity of a lifetime.

Olivia doesn't realize that she's walking straight into hell.

**To survive, they have to rely on each other.**

When the prisoners break loose, there is only one person—one vampire—who can protect her, but as Olivia and Shane fight the enemies that surround them, a dark and dangerous passion stirs to life between the doctor and the vamp. Shane realizes that Olivia is a woman carrying secrets—powerful, sinful secrets. Secrets that a man would kill to possess.

And Olivia realizes that—sometimes—you can't control the beast inside of you. No matter how hard you try. Some passions can push you to the very limits of your control...and the growing lust that she feels for her vampire...it's sending her racing right into a deadly storm of desire.

**Welcome to Purgatory...a place that's a real hell on earth...**
