Surviving Home: A Novel (The Survivalist) A. American Book 2 of The Survivalist Series

No electricity. No running water. No food. No end in sight. If life as you knew it changed in an instant, would you be prepared?

In A. American's first novel, *Going Home*, readers were introduced to Morgan Carter, the resourceful, tough-as-nails survivalist who embarks on a treacherous 250-mile journey across Florida following the collapse of the nation's power grid. Now reunited with his loving wife and daughters in this follow-up to *Going Home*, Morgan knows that their happiness is fleeting, as the worst is yet to come. Though for years Morgan has been diligently preparing for emergency situations, many of his neighbors are completely unready for life in this strange new world—and they're starting to get restless.

With the help of his closest companions, Morgan fights to keep his home secure—only to discover shocking information about the state of the nation in the process.

Fans of James Wesley Rawles, William R. Forstchen's *One Second After*, and *The End* by G. Michael Hopf will revel in A. American's apocalyptic tale.
