A NO. 1 INTERNATIONAL BEST SELLER

The newest crime novel sensation: In this shocking and suspenseful psychological thriller, a police detective must confront a hideous evil that forces her to question how much suffering one person can inflict upon another before creating a monster.

In a Stockholm city park, police discover the hideously abused body of a young boy. Detective Superintendent Jeanette Kihlberg heads the investigation, battling an apathetic prosecutor and a bureaucratic police force unwilling to devote resources to solving the murder of a nameless immigrant child. But with the discovery of two more mutilated children's corpses, it becomes clear that a serial killer is at large. Jeanette turns to therapist Sofia Zetterlund for her expertise in psychopathic perpetrators, and their lives become increasingly intertwined, professionally and personally. As they draw closer to the truth about the killings--working together but, ultimately, each on her own--we come to understand that these murders are only the most obvious evidence of a hellishly insidious evil woven deep into Swedish society. As viscerally dramatic as it is psychologically intense, *The Crow Girl* is a tale of almost unfathomably heinous deeds, and of the profound damage--and the equally profound need for revenge--left in their wake.
