## **The Descent of Christ: Ephesians 4:7-11 and Traditional Hebrew Imagery (Biblical Studies Library)**

W. Hall Harris

Harris presents a meticulous and thorough analysis of this passage that has often caused problems for Bible interpreters. Most have understood the verses to refer to (1) a descent by Christ from earth to the underworld following his death or (2) a descent from heaven to Earth at the incarnation. Harris marshals convincing evidence for an alternative view. Originally published by E.J. Brill, this North American edition is part of Baker's Biblical Studies Library. November '98 publication date.
