Theo Decker was visiting the Metropolitan Museum of Art with his mother when an unexpected bombing took her life and left him unharmed but rather shaken. Confused and frightened, Theo escapes with a painting called "The Goldfinch" in his panicked state. He was then later adopted by a rich friend's family in which he was able to live for a few months when his abusive father returns and takes him to Las Vegas. He takes the painting with him anywhere with unusual attachment from his scarred childhood to his rather dangerous adulthood fraught with addiction and the underground art world as he attempts to return the painting and fix his life.
