## **Around The World in 50 Years: The Stories of a Pan American World Airways Aeronautical Engineer**

Vincent P. Flury

Vince Flury spent 50 years in the field of Aviation. He started out as an Aircraft and Engine Mechanic in the U. S. Air Force. He attended the University of Miami School of Engineering under the G. I. Bill. After graduation, was hired by Pan American World Airways as an Aeronautical Engineer. He retired from Pan Am after 30 years and opened his own Aeronautical Consulting Service which he operated for 14 years. During those periods, he traveled the world, living and working on all continents except Antarctica. At his 80th Birthday party, Vince was pushed by his children to finally put into writing the stories that they had been hearing about, and sometimes living through, all of their lives. This book is a collection of those stories which take you around the world to strange places, exotic culture, and stirring experiences.
