Global Sociology

Robin Cohen, Paul Kennedy

Global Sociology Robin Cohen, Paul Kennedy

Offering an approach to sociology that takes the global dimensions of the contemporary world as its overarching framework, this textbook is written in a style that is relevant and fresh for the undergraduate reader whether they have studied sociology before or not. It offers sociological discussion of a range of topical and substantive areas, structured in a student-friendly way. This international text is written to engage readers actively in thinking about social life and challenges the "West and the rest" stance of many other texts.
