His new found happiness is shattered when he is called to help a brother in arms, embarking on a crusade to bring down the criminal organisation, sparking a world wide hunt for those pulling the strings. When the band of protagonists realise the power and long reach of the crime lords, they have no choice but to enlist the help of the FBI. The resulting global investigation exposes numerous twists and turns and threatens to destroy many in high places, with widespread humanitarian and political repercussions making Watergate seem like a day at the beach.
